**TERMINAL DISCLAIMER**

SIR:

Petitioner, Arbinet-thexchange, Inc., is the owner of 100 percent interest in the instant application. Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent Nos. 6,005,926; 6,912,277; 6,144,727; and 6,226,365. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patents are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

A check in the amount of \$130.00 in payment of the terminal disclaimer fee under 37 CFR §1.20(d) is included. Any additional fees or charges required in connection with this application at the present time may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.
